Letter of Commendation

I express my sincere appreciation and heartfelt gratitude to Macawber Beekay Pvt. Ltd. for their generous contribution of NCV & EMG Machine to the Paediatric Neurology Division, Department of Paediatrics, VMMC & SJH.

Your compassionate act has made a profound impact on our ability to provide comprehensive neurological care to the children we serve. This state-of-the-art equipment will greatly enhance our diagnostic capabilities, allowing us to accurately assess and monitor neurological conditions, ultimately leading to improved treatment outcomes & management strategies for our young patients.

The collaborative spirit and genuine concern for the well-being of the community demonstrated by your organization is truly commendable. As we celebrate the successful delivery of this much-needed resource, I am hopeful that this collaboration will serve as a foundation for future initiatives aimed at driving positive change and improving the healthcare landscape in the community.

I whole heartedly thank you for setting a benchmark in the realm of Corporate Social Responsibility. Your contribution will have a lasting impact on the lives of countless children and their families.
